This will be a “Hybrid Sale”. The sale will be both offered online and will finish with a live version as well. Due to “Covid 19” regulations there will only be 3 order buyers on our front row to handle order buying needs for those who do not want to use the internet. The cattle will be able to be viewed from Thursday November the 26th at 12pm until close and from open sale day until 12pm when the sale begins. The lots, pictures, and videos will be available soon.

Please call for complete details and information regarding this sale.
