## **A-8 Ranch Calves**

---

**Lots 1 - 4**

**Langruth, MB**

- All calves home grown.
- High quality Simmental and Angus calves.
- Weaned mid-November and put onto a corn silage based TMR with DDGS, grain corn and mineral.
- Verified Beef Production Plus and BIXS enrolled, eligible for Cargill's Canadian Beef Sustainability Acceleration Program.
- Age verified.
- Vaccinated with BoviShield Gold One Shot, Ultrabac 7/Somubac and Cylence in August. Booster vaccines and Ivermectin pour on given post weaning in late November.
- No Implants.
- FOB Farm
- No Stags or Horns, steers are banded at birth.
- Calves performed well with no health issues.
- A-8 Ranch has invested in a good breeding program that features high quality Simmental and Angus genetics that contributes to good deep-bodied calves with an excellent hair coat.
- We are also adding only top end replacement heifers to our cow herd.

# TERMS

- Cattle descriptions are provided by Tyler Slawinski, Auctioneer. Cattle viewing is encouraged. Additional videos may be available upon request.

- All calves were taken off feed for 12 hours and pre weighed on a non-certified single animal scale and sorted into lots (A-8 calves weighed on February 27<sup>th</sup>, Triple S calves weighed on February 24<sup>th</sup>). Sale weights are expected to be close to the bid weights on sale day. **Depending on pick up dates, calf weights may vary slightly due to gain from sale day.**

- For online bidding, register online at <http://gladstoneauctionmart.com> or <https://livestockbid.canbid.com> (Videos can be viewed on YouTube) –

**-All bids FOB Farm.**

**-Please Register 24hrs Prior to the Sale**

- Calves will be weighed on a **legal for trade farm scale** with **4%** shrink. A representative of Gladstone Auction Mart will be present for weighing.

**- Cattle will be taken off feed for 12 hours minimum and weighed in the A.M.** Cattle can be weighed 1-3 days before departure to allow the cattle to go back on feed to be comfortable before a long journey. There will be no charge for feed for up to 5 days.

- A representative of the successful bidder should be present at time of weighing.

- Numbers and colors of lots may vary slightly.

**- No pulls allowed.**

- Seller reserves the right to refuse any or all bids.

-Payment to be made to Gladstone Auction Mart. Payment of 80% is Due before cattle leave the premises with balance upon delivery, unless other payments have been made.

- Preconditioned with full vaccination program late summer, with booster and Ivermectin in late November.
- Age-Verified, No Implants, No Horns, No Stags!
- Verified Beef Plus Program, Cargill Canadian Beef Sustainability Acceleration program
- This fantastic, mostly black pen of steers are the cream of the crop! These Simmental/Angus steers have a bit more size and have performed very well on feed. These are top quality, hairy calves with good frame size and are mostly April born. We feel these steers will continue to do very well in the feed yard.
